Find out about the Trail

- What it is?
- Who is involved?
- Where will it be located?
- How will landowners be affected?
- When will it start?

The trail when completed will be a meandering gravel pathway that will generally follow Myers Creek and Healesville-Kinglake Roads, providing a 7km long link between Sylvia Creek Road and Old Toolangi Dixons Creek Roads, and includes a sealed section traversing the Toolangi.Township.
